

SPECTRA GLOBAL CUISINE, LLC

Dear Supplier,

Spectra Global Cuisine, LLC is pleased to offer payments utilizing ACH credits. ACH credits and wire transfers are often confused with each other. They are both electronic transfers of money; however, wire transfers are used to move funds between banks for same day settlement. ACH credits are electronic checks and typically take 2 days for settlement at a lower cost for both the sender and recipient.

Please note when providing your bank instructions in the Bank Information Section of the form that large US banks typically have a separate ABA number for wire transfers and ACH credits. Please check with your financial institution to confirm your ABA number for payment via ACH credit.

Please send information to marc.b@spxholdings.com or mail to 1 Park Plaza Suite 600 Irvine, CA 92614 Attention: Accts Payable Dept.

PLEASE ATTACH YOUR VOIDED CHECK

Thank you,
Spectra Global Cuisine, LLC
